## Obituary

Lucille aka Mommy/Mommy Lulu/Nana/Lucy/Auntie Lucille. She was known by many names to many people, but she was mainly one thing to almost everyone she came across and that was 'The Matriarch'

Lucille lived a full life during her short stay on earth. When she was not leading a life of servitude or volunteering, she spent time traveling the corners of the world. She truly appreciated every thing and aspect life had to offer. Lucille led a successful career across many fields, as she always had a hunger to keep learning. We could all learn something from her.

Lucille was a true role model and mentor to many. Her wisdom and love always came from the heart because it was always genuine. She taught many of us how to live, love, and forgive. If there was ever a manual of how to live and lead your life, Lucille's life would be described as the exemplar of human experience.

Lucille leaves behind her daughter Sandra, grand daughter Marisa, and great grand daughter Niecie. Lucille is survived by 7 siblings; Bridget, Sylvia, Henry, Sydney, James, Elizabeth, and Charles.

## *The 23rd Psalm*

*The Lord is my shepherd; I shall not want.  
He maketh me to lie down in green pastures; he leadeth me beside still waters.  
He restoreth my soul; he leadeth me in the paths of righteousness for His name's sake.  
Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me. Thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever.*
